“Declaring the end from the beginning”

Isaiah 46:10

“And I (*the Lord*) will establish My covenant between Me and you (*Abraham*) and your descendants after you in their generations, for an everlasting covenant, to be God to you and your descendants after you.” Genesis 17:7

“For I do not desire, brethren, that you should be ignorant of this mystery... that blindness in part has happened to Israel until the fullness of the Gentiles has come in.” Romans 11:25

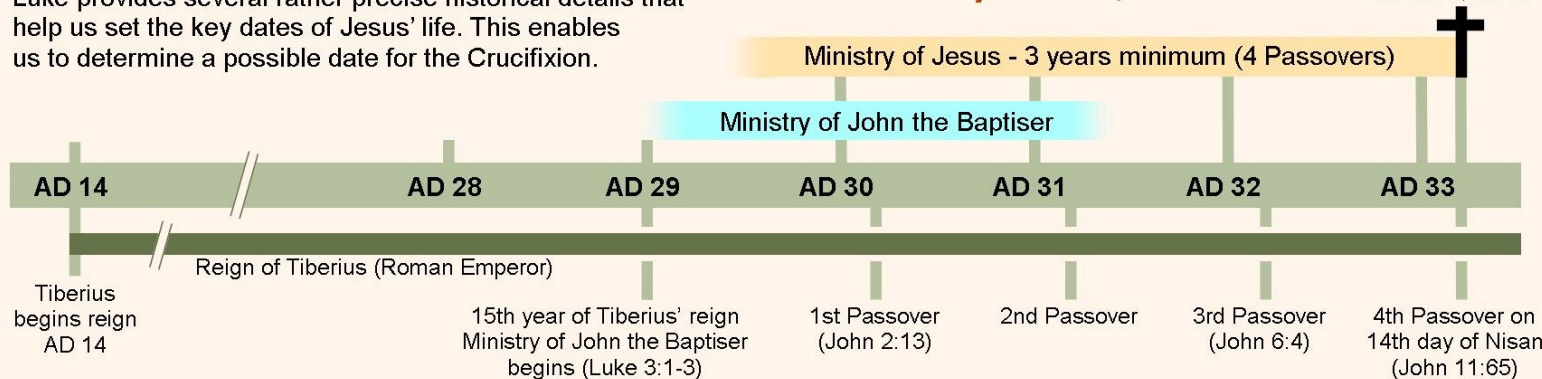

A reliable date of Jesus' Crucifixion to hang a timeline on:

Luke provides several rather precise historical details that help us set the key dates of Jesus' life. This enables us to determine a possible date for the Crucifixion.

April 3rd, AD 33*

Jesus' Crucifixion
APRIL 3, AD33

* While AD 33 is, in the author's judgment, the most likely scenario, it should be acknowledged that many believe Jesus was crucified in the year AD 30. However, if the beginning of Tiberius' reign (confirmed in history) is placed in the year AD 14, it is virtually impossible to accommodate fifteen years of Tiberius' reign and three years of Jesus' ministry between AD 14 and 30.
